Sara Cagle

scagle6@gatech.edu | +1-720-317-4251 | Atlanta, GA

SaraCagle.com

Objective: Obtain a development internship in an internationally focused workplace.

EDUCATION

Georgia Institute of Technology, Atlanta, GA, USA — **Aug 2012 – Dec 2016**
GPA: 3.47/4.0
- BS Computer Science
  - Threads: People (HCI) & Information Internetworks
- BS Applied Languages and Intercultural Studies
  - Mandarin Chinese

Peking University, Beijing, China — **Sept 2014 – July 2015**
- Chinese as a Second Language program

SKILLS

Technology
- JavaScript, AngularJS, jQuery, HTML, CSS 3, Balsamiq, Photoshop
- Java, Python, C, MySQL, MongoDB, NGINX

Language
- Mandarin Chinese (professional working proficiency), English (native)

PROJECTS

Digital Portfolio (SaraCagle.com) — **2016**
- Designed and developed a responsive, digital portfolio using HTML, CSS, JavaScript and AngularJS (no use of previous layouts or CSS frameworks.)

Hotel Reservation System — **2015**
- Created a mock hotel room reservation and management system. Implemented with Python, the Flask framework, a MySQL database, and an AngularJS web front-end.

Financial Management Android App — **2014**
- Developed an Android financial management app; coordinated the front-end work and design with XML and Java.
- Worked on a team of 5 students

EXPERIENCE

Private English Tutor, Beijing, China — **Sept 2014-July 2015**
- Conducted in-home lessons for Chinese students multiple times a week. Focused on spoken-English and American culture; basic test-prep for ACT, SAT, PET, and TOEFL. Aided students in applying to private American high schools.

Valvora (Union Pacific), Omaha, NE, USA — **May 2014-Aug 2014**
UI/UX development intern
- Developed a dynamic UI for internally developed software in order to market the software to third-party companies. Worked in a small, self-guided team.
- Used: AngularJS, Javascript, JSON, HTML5, CSS3, Sass

ClinImmune Labs, Aurora, CO, USA — **May 2013-July 2013**
Linux system admin, software development intern
- Began front-end development of the HLA Epitope Analysis Program for analyzing large volumes of patient data via CSV files. Installed and maintained NGINX test servers for the software. Worked alongside medical professionals.
- Used: AngularJS, Javascript, NGINX, Python, MongoDB, Django

INTERNATIONAL

Chinese as a Second Language Program, Beijing, China — **Sept 2014-July 2015**
- Chinese Government Scholarship recipient. Directly applied and enrolled into Peking University. Completed advanced Chinese language and culturally focused courses taught in Mandarin Chinese.

HSK 5 Certified — **May 2015**
- HSK (Hanyu Shuiping Kaoshi) a standardized, international Chinese proficiency exam for non-native Mandarin Chinese speakers. Level 5 (out of 6) tests 2500+ words and characters.

个人信息

性别：女	微信：scagle
出生日期：1994 年 4 月 1 日	年纪：21 岁
国籍：美国	护照号：475529140

教育背景

起止时间		所学	专业
2012 年 8 月	2016 年 12 月	佐治亚理工大学（GPA:3.47/4.0)	计算机科学（专业：网络安全、网站用户界面及体检设计）汉语应用语言及跨文化研究
2014 年 9 月	2015 年 7 月	北京大学	对外汉语

教育情况描述

编程语言	HTML5、CSS3、Sass、AngularJS、Python、Java、JavaScript、MySQL、C、Android API、XML
汉语课	高级口语、高级汉语、英汉翻译、高级商务汉语、中美文化研究
其它	国际经济贸易、组合数学、高级微积分
奖学金	中国政府奖学金（2014 年－2015 年）、纽蒙特矿业公司北美洲奖学金 (2012 年－2014 年)

语言能力

英语水平	母语
汉语水平	HSK5 级（汉语水平考试）商务会话 普通话、简体

实习经历

	起止时间		公司	实习单位
	2014 年 5 月	2014 年 8 月	**Union Pacific** 联合太平洋铁路企业	前端网页程式设计员
任何职务	编程语言：AngularJS、Javascript、CSS3、Sass、HTML5。我把企业已经编程的软件改编到可以卖给其它的公司，并且设计、编程了软件的新界面。			
	2013 年 5 月	2013 年 8 月	**ClinImmune Labs**	系统管理员
任何职务	编程语言及技术：NGINX、MongoDB、Python、AngularJS、JavaScript、HTML5。我是一位设置、管理 NGINX 服务器的以系统管理员。我编程了遗传性软件的前端程序。
